Hi Dan, Joe [REDACTED] here, my Ebay name is [REDACTED] x. I hope the e-mails I sent you help you to get this guy. If there is anything else I can do to help, just let me know. By the way, did you receive the Engine Kill Box that I sent you? It's not going to do me any good, so you can keep it if it will help you put this scammer out of business. All that I ask is if you could help me out by giving me a good deal on one of your kill boxes and toggle switch. I think that I can still use the Co2 bottle, air shift cylinder, electronic air valve, air line and fittings. I figure that I need to get something out of what I have for the money that I gave for it.
You guys run a top notch operation, with the best customer service I have ever received. I hope that you can put this thing to rest quickly. I know that you guys are busy people, but if you can, please keep me informed as to the progress of all of this.
THANKS AGAIN,
JOE [REDACTED]
