Sanford, Florida, 1/8/2004 – We are very pleased to announce our return to AMA Prostar as an official major contingency sponsor! MPS will pay riders in all classes of AMA Prostar competition that use our products to win. The MPS Tether Kill Switch and the MPS line of Pro Pushbuttons each will pay \$25 to win. We will be at most AMA Prostar events in 2004, so look us up on the midway.

MPS will also continue our “Private Label” contingency program. This year the program is a little different than last years so read carefully. recognized by the 1- prefix of the part number. Purchases made from 12/1/2003 to the date of the event you win will be counted toward your 10%. All purchases must be made with a single customer number directly from MPS at racer net pricing. When you win an event, simply fill out a winners claim form. When we receive the winners claim form we will search that customer number in our database for qualifying purchases to determine your payment amount. We will pay a maximum of \$200 per class, per event. All participants in our "Private Label" contingency program must register online at our web site before winning an event. When you register online you will be sent a winners claim form and decals for your bike in the mail.

Both programs require you to run decals on both sides of your bike for the entire event.
