These new kits include the new triple groove Kibblewhite Black Diamond Stainless steel valves in either stock or +1mm oversize. This new stem and keeper design helps reduce the chance of a dropped valve by increasing the surface contact area of the keeper and the valve. The MPS Hayabusa Cylinder Head Kits P/N 1-0651 and P/N 1-0651-OS are priced at \$750.00 and are in stock now for immediate shipment.
