## **Master Dyno Technician - Kevin Cadby Joins MPS**

Sanford, Florida, 09/18/2007 – Motorcycle Performance Specialties is excited to announce the addition of Kevin Cadby to our team. Kevin will be in charge of our dyno facility and all related service operations. We couldn't be happier to have Kevin aboard. He brings a myriad of talents to our company with 20 plus years of motorcycle experience. The last five years of which were spent on the dyno jetting and custom mapping hundreds of bikes. His experience runs the gambit from carbureted Harleys, wild 450 plus horsepower turbos, both wet and dry nitrous systems, even tuning blow through carb turbos is a forte. He will be custom mapping fuel Injected bikes of all makes and models, both metric and Harleys...(including '07' fly-by-wire) using Power Commanders. He is also familiar with SERT-mapping.
