MPS Air – Hydraulic Clutch

Sanford, Florida, 05/4/2006 – Motorcycle Performance Specialties is excited to announce the immediate availability of the new Air – Hydraulic Clutch Assy. Our Air – Hydraulic Clutch allows the use of a delay box with your hydraulic clutch equipped sport bike. They will fit most sport bikes with hydraulic clutches. They feature a quick exhaust valve and an adjustable lever stop for better reaction times on a pro tree. The MPS Air – Hydraulic Clutch comes with everything needed for installation including: The master cylinder assembly itself, electric air valve, MPS Pro Pushbutton, clutch switch, air line tee, air line, and complete installation instructions. The MPS Air – Hydraulic Clutch, P/N 1-0385 are priced at \$299.00 and are in stock now for immediate shipment.
