## ***MPS Shift Light System***

Sanford, Florida, 09/14/2004 – Motorcycle Performance Specialties is excited to announce the immediate availability of the MPS Shift Light System. Our super bright LED shift light system uses quality MSD components and MPS cabling to create an easily installed universal shift light. The MPS Shift Light System is available in three different calibrations (180 degree 360 degree 720 degree) to work on just about any type of bike with no adapters needed. The MPS Shift Light System uses readily available standard MSD RPM Modules (not included with light) to set the rpm the light will come on. The MPS Shift Light System, P/N 1-0354-180, 1-0354-360, and 1-0354-720 are priced at \$129.00 and are in stock for immediate shipment.
