MPS Hayabusa Offset 68mm Stroke Crankshaft

Casselberry, Florida, 08/24/2010 – Motorcycle Performance Specialties is excited to announce the immediate availability of our new Hayabusa offset 68mm stroke crank. Marine Crankshaft makes these high quality reground cranks for us. They feature offset crank throws to match our offset billet blocks. Use these cranks with our 85mm bore offset block for a 1543cc engine. These Hayabusa offset 68mm stroke cranks are nitrided, balanced, and have the counter balancer gear removed. A good useable core is required at time of purchase or a core charge will be assessed. The Hayabusa offset 68mm stroke crank, P/N 1-0554 is priced at \$1350.00 and are in stock for immediate shipment.
