MPS High Flow Petcocks

Sanford, Florida, 04/08/2005 – Motorcycle Performance Specialties is excited to announce the immediate availability of our new High Flow Petcock. Our quality High Flow Petcocks are just the thing for your fuel starved bike. They flow plenty of fuel for any motorcycle application. They are a dual outlet design in a small package. They measure only 2 1/2" tall including the 3/8" NPT male inlet threads. They have 1/8" NPT female outlet threads and come with either a 5/16" hose barb or a #6 AN Male fittings. We can also configure them with a 3rd outlet on the bottom for nitrous applications.

The MPS High Flow Petcock, P/N 1-0364 with 5/16" hose barbs and 1-0365 with #6 AN fittings are priced at \$32.00 and \$35.00 respectively and are in stock for immediate shipment.
